The Salem VA Medical Center is located in Salem, Virginia and serves veterans throughout the State of Virginia for psychiatric care and southwestern Virginia for medical and surgical care. The Salem VAMC also has Community Based Outpatient Clinics (CBOCs) in Danville and Tazewell serving the counties of Patrick, Henry, Pittsylvania, Tazewell, Bland, Buchanan, Giles, Russell, and Wythe in southwest Virginia.

The Medical Center serves as a tertiary referral center and is classified as a Clinical Referral Level I Facility. It is a teaching hospital, providing a full range of patient care services, with state-of-the-art technology as well as education and research. Comprehensive health care is provided through primary care, tertiary care, and long-term care in areas of medicine, surgery, psychiatry, physical medicine & rehabilitation, neurology, oncology, dentistry, geriatrics, and extended care.
