Amedisys Hospice of Roanoke provides pain management and hospice care. The staff takes the time to understand the unique needs of each of our patients and their loved ones. Our team of expert and compassionate hospice caregivers works to meet your needs, whether they are physical, emotional or spiritual. We work in close coordination with you, your family and your physician to deliver the best possible hospice care, and we are available to you around the clock.

An individualized care plan is established; support on a 24 hour/day 7 days/week basis. Home visits are based on the need of the patient and family. Care includes nursing care, bereavement support, medical social services, symptom control, medications to treat symptoms related to the terminal illness; physician services, spiritual support, pain management, personal care, patient and family counseling, medical supplies and any therapies needed.
