Eggleston offers the Warrior Bridge program to veterans with disabilities by connecting them to resources, services, and employment. Warrior Bridge uses a person-centered approach to promote self-sufficiency through satisfying employment. The Warrior Bridge program is an important way we support the employment and success of Veterans in Hampton Roads. This program is designed to meet any veteran where they are in their career path and support their efforts to become employed, self-sustained and productive members of our community.

Warrior Bridge is in a unique position to provide immediate employment to veterans through Eggleston's multiple businesses. Because Eggleston has multiple businesses, often a position can be found through the Warrior Bridge program to provide immediate employment to veterans.
