The Brain Injury Services Fredericksburg Community Day Program is a client-directed, community-based program. The Day Program is a client-directed, community-based program that is designed to meet the unique needs of the survivors living in a mixed urban, and rural area. The purpose of the Community Services program is to provide innovative services and supports to empower survivors. We provide a hybrid model with virtual and in person services. Activities are offered Monday through Friday.

The Day Program has four components:

- Volunteering and Vocational Skills,
- Wellness,
- Independent Living Skills,
- Social and Peer Support.
