The Potomac Center has 14 clinical psychologists and licensed clinical social workers on staff.

Our areas of expertise include PTSD testing and therapy, ADHD, Anxiety and depression, Marital and family therapy, GLBTQI, Medical/Bariatric testing, Personality profiles, basic needs and skills, Forensic Psychology, cognitive behavioral therapy, Military, Anger Management, Stress Management, Divorce, OCD, Addictions.

Services include psychological assessments and psychotherapy, individual counseling, group counseling, crises intervention, consultation and more.

Approximately 10% of the total practice caseload is with older adults, though several of the psychologists on staff have specialized experience with people over the age of 60. They perform geriatric assessments, cognitive assessments and check for depression, memory loss, and anxiety.
