The Psychological Services Center (PSC) at Virginia Tech offers a variety of mental health services to any member of the surrounding community. Assessment and treatment techniques utilized are empirically supported to be effective and safe. The Center provides confidential help with depression, anxiety, stress, relationships, substance-related problems, and behavior problems.

The primary purpose of the PSC is to provide assessment and treatment of mental health problems and life adjustment issues, along with an environment of training for graduate students

Service Area(s)

Montgomery County
