USDA has a variety of programs that provide financial assistance for home renovation and repair in rural areas, as well as community development, developing businesses, and for buying or renovating homes in rural areas. Call a local office.

Visit [Single Family Housing Loans and Grants](#)

Rural Housing Service also makes financing available to elderly, disabled or low-income rural residents of multi-unit housing buildings to ensure they are able to make rent payments.

For single family housing, there are direct loan programs, loan guarantee programs, mutual self-help housing program, home repair and preservation and grant income.

All applications for loans and grants are handled at the local level. Find a [Local Service Center](#)
