Twin County Regional Hospital, a LifePoint hospital, is a 141 bed hospital offering behavioral healthcare center, rehabilitative services, women's services, laboratory services, nutrition services, emergency department, diabetes program, outpatient surgery, intensive care/cardiac care unit, cardiopulmonary, x-ray services, gastroenterology, and pharmacy services.

Twin County Regional Library is the cornerstone of the Twin County Regional Healthcare organization.

Services: Physical therapy, respiratory therapy, speech therapy, birthing room, ultrasound, diagnostic radiology, cardio-pulmonary rehabilitation, durable medical equipment loan, echocardiography, holter monitor scan, outpatient surgery, nuclear medicine, and more.

Hospitalists are Internal Medicine specialists and experts in managing inpatient care. The hospitalist will keep your family doctor informed of your course of treatment; your doctor will be involved in major treatment decisions. The hospitalist and your family doctor will discuss your follow up needs.
