Home Health provides skilled nursing care, including diabetes management, cancer care, cardiopulmonary services, wound care, pre- and post-joint replacement care and rehabilitation services following injury or stroke.

Specialized services include home infusion therapy and hospice care. Home health care team includes registered nurses, diabetic educators, certified nurse aides, and home health aides, rehabilitation therapists, and medical social workers.

American Health Care Professionals is a division of the American Health Home Care Group, a Christian, faith-based home health agency. Clients in need of care are served without discrimination and regardless of their religious affiliations or personal beliefs.
