Western Lee County Health Clinic offers medical services provided by licensed physicians and nurse practitioners. Also available are Black Lung services (through referral), assistance in obtaining free medicine, x-ray and laboratory services, and patient education. A Licensed Clinical Social Worker is available for counseling services.

A Community Health Center is a non-profit private corporation located in a medically underserved area to provide comprehensive primary health care to anyone seeking care. All community residents have equal access regardless of ability to pay, geographic locations/residence, culture, age, sex, or religion.

The mission of Stone Mountain Health Services is to promote and provide quality primary health care that is accessible, affordable, and community-based for the people of Southwest Virginia.
