RoseWood Village Assisted Living provides a residential and assisted living care facility with a personalized care approach to meet the specific needs of residents who require assistance with activities of daily living (ADLs), such as bathing, dressing, medication reminders, or more. Provides socialization events, recreational programs, fitness and wellness programs, and more. Offers multiple levels of care and supportive services in a village-type setting. The capacity is 90 residents for assisted living and memory care.

The communities feature a Main Street corridor complete with storefronts, cafes, a beauty and barber shop, and a movie theater. Locations also offer several other stimulating destinations, including outdoor gardens, patios, health spas, and fitness centers, as well as a variety of themed gathering locations. There are comfortable gathering destinations for building relationships with friends and connecting with family

Short-term respite care is also available, as long as space is available. This care is designed to be temporary so that caregivers can have some "time off" from caring for their loved ones.
