Alexandria City Health Department enforces and inspects city and state codes relating to environmental health (restaurants, swimming pools, hair salons, grocery stores, vending machines, etc.). They handle problems relating to health in commercial properties, respond to citizen complaints and concerns, and offer consultation and information on topics of environmental concern such as radon, excessive noise, air pollution, asbestos, and hazardous or toxic waste.

Visit the [website](#) to learn more about our specific programs in the following areas::

- Food Safety
- Aquatic Health and Safety
- Vector-Borne Illness Prevention
- Animal Bites/Rabies Prevention
- Hotel Sanitation
- Water Quality
