Onley Community Health Center provides a private, non-profit health provider offering residents of Accomack and Northampton Counties all phases of family practice medical care and lab service. Onley offers full laboratory services, immunizations for children and adults, and health counseling, as well as pharmacy assistance, health education, and interpretation services. Board certified physicians and family nurse practitioners provide family care.

This Center has been recognized by the National Committee for Quality Assurance as a Patient-Centered Medical Home Level 3. A patient-centered medical home:

- Delivers primary care based on your needs and preferences.
- Shares health information among all health care providers.
- Creates a proactive plan for your care.
- Supports your health needs and goals.
