Fredericksburg Department of Social Services can determine Cardinal Care Medicaid eligibility. Cardinal Care Medicaid is the federally funded medical care program for Virginia individuals who are elderly, blind, disabled, dependent children, and pregnant women. The program offers medical coverage for doctor visits, emergency room visits, hospitalization, prescriptions, medical supplies and equipment, nursing home costs, and home health care. The level and scope of coverage vary.

To be eligible, individuals must meet income and resource requirements.

Supplemental Security Income recipients are generally eligible for full coverage.

CommonHelp is a web-based system that allows Virginia citizens 24/7 easy access to apply for Cash Assistance (TANF), Child Care Services, Energy Assistance (Fuel, Crisis and Cooling), Food Assistance (SNAP), and Medical Assistance (Cardinal Care Medicaid). You can also renew your eligibility and report changes for all programs noted on the CommonHelp website. [Visit the CommonHelp site.](#)
