The Women's Center offers career services.

Career services are offered to women who are seeking employment, changing career paths or re-entering the job market. Career counseling will help with strategies and techniques and are tailored to individual's needs. Career counseling and Career Coaching are available at an hourly fee.

Services include career coaching, career counseling, resume review and other career-related programs.

Information Career Advisory Network (ICAN) is a networking tool that includes professionals from over 100 career fields. The Network links you with several women or men in the field of your choice to one-hour interviews. There is a cost for this service.

There is no cost to use the Career Library.
