Open 24 hours a day, the Emergency Room (ER) focuses on providing quality care with as little waiting time as possible. The ER has two distinct treatment areas: An Express ER section designed especially for patients with minor illnesses or injuries and an acute section for more serious problems.

The emergency department includes 24 beds, specialty treatment rooms including 3 trauma rooms, an Ear, Nose & Throat room, an Orthopedics room, a decontamination room, an OB/GYN room, an isolation room, an observation room and a psychiatric evaluation room. The ER is also an accredited Chest Pain Center and Primary Stroke Center.
