Capital Caring hospice services are provided in the patent's home setting, whether that is a private residence, apartment, long-term care facility, assisted living facility or nursing home. Nurses provide complete spectrum of skilled nursing care and make frequent, regular visits to monitor the patient's condition, manage medications, provide injections and answer medical questions.

In addition to managing pain and symptoms, staff also offers spiritual counseling, nutritional counseling, grief counseling and physical and occupational therapy as needed.

Service Area(s) Arlington County , Fairfax City , Fairfax County , Falls Church City , Washington DC
