Bland County Medical Clinic provides acute and chronic primary care, as well as preventative care. Also provides education to patients, referrals to specialized diagnostic, treatment, or extended care facilities as necessary, and physician in-patient hospital care when necessary.

The clinic serves infants, children, and adults. Offers X-ray, laboratory, telemedicine, and minor surgery options. Prescription assistance and free prescriptions are sought for sliding scale fee patients from the drug manufacturers. Blood pressure screenings are available any time during the year. Appointments are encouraged, but not required.
