The Zuni Newbold Apartments provides direct supervision and community support services to individuals living in apartments. None of the staff live with the individuals, but someone is always available on a 24-hour basis if needed. Services are provided based on the needs of the individual in areas such as food preparation, housekeeping, medication administration, personal hygiene, and budgeting.

In Zuni, there are three apartments, called the Newbold Apartments, with two individuals living in each. The campus is also home to [Zuni Gourmet Peanuts](#), a product of a sheltered workshop that employs adults with developmental disabilities.

Van service is provided for the residents of the home.
