At Colonial Behavioral Health, Prevention Services encourages and promotes the development of strengths and potentials in general and at-risk populations. It is the goal of prevention services to enhance protective factors and reduce risk factors for youth and their families. Prevention Services offer programs in our schools and communities. Services promote the development of healthy youth and strong families. Parents or caregivers can attend parent education programs at convenient community locations.

Prevention Services provide a wide range of programs to meet consumer's needs. Services include:

- Community-Based Prevention Groups;
- Parent Education;
- Substance Abuse Prevention;
- Violence Prevention;
- Community Education;
- Inter-Agency Collaboration.
