CVS Minute Clinic is a walk-in medical clinic that is staffed by nurse practitioners and physician assistants who provide treatment for common family illnesses and injuries, administer vaccinations, conduct physicals, and wellness screenings, and offer to monitor chronic conditions.

Our practitioners can:

- Diagnose, treat and write prescriptions for common family illnesses such as strep throat, bladder infections, pink eye and infections of the ears, nose and throat
- Provide common vaccinations for flu, pneumonia, pertussis, and hepatitis, among others
- Treat minor wounds, abrasions, joint sprains and skin conditions such as poison ivy, ringworm and acne
- Provide a wide range of wellness services, including sports and camp physicals, smoking cessation and TB testing
- Offer routine lab tests, instant results and education for those with diabetes, high cholesterol, high blood pressure or asthma

For the cost of services, visit the website.
