Cardinal Care Medicaid offers several types of medical assistance programs for different groups of individuals. Eligibility is different for each group.

To be eligible for a program, an individual must meet the financial and non-financial eligibility conditions for that program. People who may be eligible include children, adults, parents of dependent children, Supplemental Security Income recipients, adults age 65 or older who are blind or have a disability, and more.

[Medicaid Application Forms](#) can be found online.
