Staff of Dr. Federici, PSY.D. and Associates offers comprehensive psychological and neuropsychological evaluation and treatment services for children and adults experiencing cognitive or emotional disorders.

International recognized expert in the neurodevelopmental assessment and family treatment of both domestically and internationally adopted children.

Experts in learning disabilities, autism, and mental retardation, developmental disabilities, head trauma, court involved cases and adoption/trauma issues. The staff handles the most complex cases previously unresponsive to treatment, especially severe behavioral disorders, and multi-impaired children and adults.
