The Arlington County Division of Behavioral Health Emergency Services provides immediate assistance to individuals experiencing a behavioral health crisis. The goals are to:

- Prevent the crisis from worsening,
- Relieve immediate distress,
- Prevent individuals from harming themselves or others.

Services include assessment, crisis intervention and stabilization, short-term counseling, psychiatric services and critical stress management for individuals and families.

Pre-admission screening is provided for individuals who may require voluntary or involuntary hospitalization or who may require either office-based crisis stabilization or residential crisis stabilization.
