Cee-Breeze offers mental health services to adults. Mental Health Services at Cee-Breeze can include training as follows:

- (i) functional skills and appropriate behavior related to the individual's health and safety; activities of daily living, and use of community resources;
- (ii) assistance with medication management
- (iii) monitoring health, nutrition, and physical health with goals towards self-monitoring and self-regulation

At Cee-Breeze, participants are involved in activities that promote social functioning and independence.

Licensed as a Community Based Residential Treatment Facility for mental health issues.
