Inova Loudoun Hospital treats a full range of behavioral health conditions, including ADD, ADHD, bipolar disorder; depression, substance use, schizophrenia, stress, dual diagnosis, and more. Inova offers inpatient, partial hospitalization, medication management, and counseling services.

The Inova CATS program offers a series of structured programs that provide treatment for individuals 18 and older dealing with all forms of substance use.

The Inova Kellar Center provides behavioral health services for children, adolescents, and their families. Call 703-218-8500 for more information.

The Inova Psychiatric Assessment Center (IPAC) is open for new admissions, urgent referrals, and walk-in appointments. The IPAC 24-hour intake phone line is staffed by qualified counselors to help individuals in crisis or anyone seeking mental health or addiction treatment with one of Inova's programs. Call (703) 289-7560, anytime.
