Rehabilitation Research and Training Center at VCU provides Customized Employment from Disability and Rehabilitation Research Project for individuals with disabilities, their representatives, and professionals. Areas of focus are autism; supported employment; the transition from school to work; and traumatic brain injury.

Training events are developed and designed to meet the needs of people with disabilities, rehabilitation professionals, families, and persons working in business

and industry. Training includes free Online Courses, Webcasts, Brown Bag Series, adult learning, and featured Multimedia videos.
