SilverSneakers is a nationwide fitness program designed exclusively for older adults, available to members of participating Medicare health plans. Benefits include complimentary fitness center membership, nationwide access to more than 10,000 locations, low-impact classes taught by certified instructors, fun social events, health education, and much more.

Just call the toll-free number (877) 326-6054 or visit our website to find out which health plans offer this benefit at no cost to you as well as which fitness center location is most convenient for you. In Virginia, we partner with Humana, Anthem, United Healthcare/Secure Horizons, and Southeast Community Care/Arcadian.
