The Law Office of Angela N. Manz handles a wide range of practice areas, including Medicaid planning, estate planning, asset protection, care management, family conflict resolution, estate administration and probate, long-term care planning, elder abuse issues, and much more. Our goal with respect to elder law is to help seniors remain independent for as long as possible, protect their assets against the high cost of nursing home care, and offer compassionate guidance and sound legal counsel in a crisis situation.

Call about legal tools you can use to prepare in advance for long-term care or to help when a crisis occurs. Please contact us to learn how we may be able to help you and your loved ones.
