Please join our thriving family and the many wonderful activities that we've planned all throughout the year. We were established in 2012. We are licensed by the Virginia Department of Social Services. Our focus is on providing respite to the caregiver and an engaging and warm environment that serves the aged or individuals with disabilities during the day! Our unique services focus on elderly support for memory-impaired individuals or chronically or newly disabled persons with limitations. We offer specialized reminiscing therapy, music therapy, nature, pets, inter-generational activities, and healthcare monitoring.

We are also a Christian-based organization and family-owned and operated. We seek to provide a Biblical-based model of care offering prayer, Bible devotion and scripture reading, hymns/sing-along, and special speakers throughout the day. Our center is smaller and has a European feel that is warm and inviting! Our staff to participant ratio is 4:1 over state mandates. We provide exceptional and personalized care and treat each person like family. Reducing daytime sleep and increasing activity during the day equals thriving for our family members. When persons with dementia are in a social setting, they perform at a higher level of functioning.

We also serve Veterans and have a contract provider agreement with the Veterans Administration. We also work with long-term care insurance companies so your loved one's daycare expenses can be covered. We also offer monthly caregiver support groups every 3rd Saturday of the month from 10:30 am to 12:00 pm. This

group is affiliated with the Alzheimers Association.
