Winchester Family Health Center is a medical home that provides comprehensive primary healthcare and takes a whole-person approach with an emphasis on quality care and patient safety. Our providers focus on the ongoing diagnostic needs of aging patients. An on-site lab is available for routine blood work and special diagnostic tests. A sick appointment may be made on the same day.

Family Wellness cares for infants to aging adults. Services include but are not limited to, minor outpatient procedures, immunizations, and same-day sick appointments (call ahead). Women's Health includes annual pap smears and mammograms.
