Fauquier Hospital is proud of its mission to provide quality health care to all who need it. Our staff is very willing to work with our patients who do not have health insurance. If you are worried about how to pay for the services you receive at the

hospital, we may be able to help. Financial counseling is available.

Fauquier Hospital provides financial assistance to patients based on their income, assets and needs. [See Financial Assistance Request](#) Applications in English and Spanish are available online.

We will also help you explore any federal or state programs you may be eligible for. We want to reduce your financial worry as much as possible.
