Novant Health UVA Health System, Culpeper Medical Center, is a non-profit community hospital operating 24 hours a day and offering a full range of inpatient, outpatient, diagnostic, treatment, and emergency medical services.

Emergency medical care is available 24 hours a day, 7 days a week, at Culpeper Regional Hospital for all types of emergencies--both large and small. The fast track area is open from 10:00am to 10:00pm daily for patients with minor illness and injuries. These patients will receive prompt attention with shorter wait times.

The Hospital has lifesaving programs for two of the deadliest diseases in the United States: heart attack and stroke.
