The Medical Outpatient Department offers a setting where patients can receive various types of treatment in outpatient rather than being hospitalized. Registered nurses administer and supervise your treatment at all times. Flexible scheduling is offered.

Some of the outpatient services include blood administration; IV Boniva; IV administration; central line flushing and dressing, etc.

Novant Health UVA Health System, Culpeper Medical Center, is a non-profit community hospital operating 24 hours a day and offering a full range of inpatient, outpatient, diagnostic, treatment, and emergency medical services.
