Visiting Physicians make house calls or home visits. Services include:

- Comprehensive review of your medical history, physical exam and ongoing treatment of medical conditions.
- Medication management and refills
- Laboratory Services and portable diagnostic testing performed in your home
- Referral to physical therapy and specialized rehabilitation services.
- Coordination of all home care services and medical equipment
- Community placement consultations
- Physician review for authorizations.

We accept most insurances. Deductibles and/or co-payments required for medical services are handled in the same way as a trip to a physician's office.
