Independent Capacity System operates two homes one in Petersburg and the other in Chesterfield for individuals with intellectual disabilities. Residents are provided with training, assistance, and support to enable each individual to acquire, improve or maintain their independent living skills, health status, and functional skill levels to live as independently as possible within the community. These services are provided by qualified, certified, and trained staff 24 hours per day. All services provided are individualized to each resident's needs and preferences.

Service Area(s)

Chesterfield County

,

Colonial Heights City

,

Hopewell City

,

Petersburg City

,

Prince George County
