Tech for Troops provides refurbished computers to veterans, enabling them to connect with employers and develop essential computer skills. We hire veterans and provide technical training, keep usable computers out of landfills, and recycle electronics in an environmentally sustainable way. Submit a [Computer or Laptop Application](#)

You help us help the troops by donating your laptops, computers, keyboards, mice, power cords, computer parts, iPads, tablets, and cell phones. We cannot accept printers, scanners, CRT monitors, or TVs. Call for more details.

Volunteers are needed for a variety of tasks at the office and warehouse - not all are computer-related. Hours and days are flexible. Call for more information.

For veterans interested in a computer career, we offer free training, internships, and introductions to potential employers.
