Genuine Home Healthcare is a home care agency located in Northern Virginia that is a nonskilled agency that is committed to providing a high quality of technology-assisted services. Their targeted population for their services is the senior population, veterans, children aged 5-21 years of age, new and expectant mothers, and any individual regardless of age who is recuperating from a recent illness or injury.

These services are to help individuals with special healthcare needs and are dependent on medical devices. The service can include:

- health monitoring
- medical respite care
- specialized medical care
- and much more
