English

The Substance Abuse and Mental Health Services Administration (SAMHSA) offers many programs for individuals who currently have or may be at risk of a mental illness. The website offers a early serious mental illness treatment locator so you can

find a local center. As well there are public messages, practitioner trainings, and resources on the website to better educate and learn about these illnesses. For additional support, visit the [Find Support | SAMHSA](#) website.

Service Area(s)

Nationwide
