Event Description

Memory Cafe, Gloucester, meets monthly on the second Wednesday of each month, from 1:30 until 3:00 pm. This is a social gathering for individuals personally dealing with memory loss and their partners who provide care for those with those challenges.

The Cafe is organized and hosted by trained facilitators. Each gathering will offer the guests the chance for unstructured conversation, refreshments, and getting to know others in the community with similar memory changes.

Anyone with memory loss or concerns with memory loss is welcome to come. Care Partners and/or spouses are expected to attend as well.

RSVP is not required and there is no cost to attend.
