Event Description

Learn what podcasts are all about and where you can find these increasingly popular audio programs on a whole range of subjects.

About the Event

Podcasts are an increasingly popular form of entertainment and a great source of information on all kinds of topics, from science and technology to sports and true crime.

In this presentation, you'll learn more about these audio programs available on the internet: why people listen to podcasts, where you can find them, and what the most popular podcasts are.

How to Join

Sign in to your AARP.org account or create an account to register for events. AARP membership is not required. You will receive an email with the Zoom link before the session.
